Applicants that do not accept all elements of the Standard Commercial Framework will be rejected unless exceptional reasons are provided. Even if exceptional reasons are provided, a separate Application evaluation process and more stringent ongoing governance arrangements apply for Applicants and Approved Suppliers who do not accept the Standard Commercial Framework.
- 6.4 Further information on the standard commercial frameworks is available on the Scheme webpage on buy.nsw.gov.au.

7 The Scheme Procurement List

- 7.1 Under Part 6 of the EPP Direction, a covered agency may use a procurement list established by another government agency. The Scheme Procurement List is established in accordance with the criteria set out in the EPP Direction that apply to procurement lists. On that basis, a covered agency can comply with the EPP Direction by using a prequalified supplier (i.e. an Approved Supplier) from the Scheme Procurement List where the estimated value of the procurement is or exceeds the applicable threshold set out in the EPP Direction. An agency using the Procurement List **must** select suppliers using the selection criteria established in clause 7.2 (j).
- 7.2 The publication of these rules constitutes an invitation to suppliers to make an application to be included on the Procurement List. The following information is accordingly provided:
- a) a description of the goods and services for which the Scheme Procurement List may be used
 - (i) The services for which the Procurement List may be used are those specified in the P&MS Scheme – Engagement Types.
 - b) the conditions for participation that suppliers must satisfy for inclusion on the Scheme Procurement List
 - (i) The conditions for participation that suppliers must satisfy for inclusion on the Procurement List are those specified in the Evaluation Criteria section of the Scheme Rules.
 - c) the name and address of the government agency and other information necessary to contact the government agency and to obtain all relevant documents relating to the Scheme Procurement List
 - (i) For information relating to the Scheme Procurement List, contact:

 - E-mail: PMS@treasury.nsw.gov.au

 - (i) The methods used to verify that an Applicant satisfies the conditions for participation are those specified in clauses 9 - 11 of the Scheme Rules.
 - e) the period that the Scheme Procurement List will operate (unless the period is indefinite) and the means for its renewal or termination

 - f) if the period of the Scheme Procurement List is indefinite, an indication of the method by which notice will be given of the termination of use of the Scheme Procurement List.

(i) a statement that only Approved Suppliers, or a limited number of Approved Suppliers (at a minimum three (3) suppliers for procurements to which the EPP Direction applies), included on the Scheme Procurement List may receive invitations from an Agency to make submissions relating to procurements for which the Scheme Procurement List was established.

j) if the statement referred to in paragraph (i) states that only a limited number of Approved Suppliers included on the Scheme Procurement List may receive invitations from an Agency to make submissions relating to procurements, a statement of:

(i) the justification for that limitation,

- Each P&MS Engagement Type has a large number of suppliers who meet the conditions for participation and it is inefficient to invite all eligible Approved Suppliers to make a submission and;

(ii) the criteria for selecting those limited number of Approved Suppliers.

- Approved Suppliers who have demonstrated capability to meet specific evaluation criteria that an Agency will use for the procurement.
- Approved Suppliers who have registered an interest with the Agency for a particular procurement listed in the Agency Procurement Plan.
- Where the above criteria do not yield a shortlist of at least three (3) suppliers, generate a random selection from all suppliers on the Scheme Procurement List.

8 Purpose of Base level prequalification

8.1 The purpose of Base Prequalification is to enable opportunity of access to government work and experience for Small and Medium Enterprises (SMEs) who do not currently have the references and work experience to apply for Full Prequalification under the Scheme.

participated in the dispute process, if a party did not participate or if the matter was only partly resolved through the process;

- ii) where the Service Provider is not a small business, and failing settlement within a further 10 Business Days, the parties agree to appoint a mediator from the Australian Commercial Disputes Centre (ACDC) to conduct a mediation to resolve the dispute. The parties agree that the dispute will not be subject to proceedings before a court until the mediator appointed by the parties has certified in writing that the parties' participation in the dispute resolution process has not resolved the dispute.
